In the communication by Nachimuthu Muniraj and Kandikere Ramaiah Prabhu, in Volume 360, Issue 7, 2018, pp 1370–1375 (DOI: 10.1002/adsc.201701406), the structural formula of compound 4an in Scheme 3 on page 1372 is incorrect. The correct Scheme is given here.

Scheme 3. Scope for alkynylcarboxylic acids.[h]

In the Supporting Information, there were errors in the data in the spectrum of 4an (chemical shift value of 164.9 ppm was missing in the characterization data as well as $^{13}$C NMR spectra) and drawing for the compound 4an. A corrected Supporting Information is provided. The authors apologize for these mistakes.

The authors thank Prof. S. Gharpure (IIT, Mumbai) for pointing out these corrections.
