DOI:10.1109/JPHOT.2021.3052570

Manuscript received December 19, 2020; accepted January 15, 2021. Date of current version February 2, 2021.

The below listed publication by P.J. Marraccini *et al.* [1] was not referenced in our recent work which was published in the Photonics Journal [2]. We would like to add this reference to our paper.
